

Signature Solution

The humanKIND Framework

“Confidence through Training” Educators receive access to our self-paced online workshop, covering the "why" and "how" of SEL through the humanKIND approach. Option to add-on a hands-on, in-person workshop for deeper connection and modeling.

→ **Benefit:** Your teachers feel capable and confident, not overwhelmed or underprepared.

EQUIP

READ

“Stories that Spark Connection” Children are introduced to SEL themes through the Big World of Little Dude book series, with engaging stories that make abstract ideas concrete.

→ **Benefit:** Storytelling captures children’s attention and makes SEL themes memorable, laying the foundation for deeper exploration and classroom conversation.

“Ready-to-Use Resources, All in One Place” Receive full access to the humanKIND Curriculum Platform, with lesson plans, books, printable worksheets, and more.

→ **Benefit:** Everything is in one place, organized, easy to navigate, and ready to go. It saves teachers time, eliminates prep stress.

GUIDE

ACTIVATE

“Learning Through Play and Practice” Children move from story to action with hands-on activities that bring SEL concepts to life.

→ **Benefit:** Play-based activities strengthen understanding, build social confidence, and create classroom habits that stick.

“Bridge School & Home” We provide family letters, take-home activities, and monthly newsletters to help parents reinforce SEL at home.

→ **Benefit:** Parents feel informed, included, and empowered to support emotional growth. This strengthens trust, boosts retention, and gives your school a clear, values-driven differentiator.
